

The 10th MCI group Project client meeting will be held in room at 3 pm on Friday 23 May 2025

Agenda

Chair: Zihan Luo

Secretary: Ziyao Zhao

1 Apologies

None.

2 Presentation

- Show the training and testing progress of our model.
- Show our testing plan report to get some advice.
- Show our interface page.

2.1 Functional requirements and Presentations in Last Meeting

In last meeting, we discussed about our outcome and performance of four model, after presentation, the supervisor gives us some directions to improve the model performance, like try to find best parameter for model or try different weight metrics, different training, and testing scale.

And we talk about the test plan report, the supervisor helps us to organize the main structure about the testing process.

2.2 Problems and solutions

Model performance need to be improved for comparison and the logic of test plan report need to be double check.

3 Requirements Elicitation

In this meeting, firstly, we will compare about our model, and try to find more clue to choose the best one for our recommend system, do some prepare job for the project landing, then we will review our test plan report together to optimize the quality of documents.

4 Other Issues

Next step plan about the project.

Note: Next meeting will be held on in week 11, in meeting room 5.55, Ingkarni Wardli, at 3 pm on 29th May 2025.
